Index to Volume 50

PREPARED BY MARILYN J. ROWLAND

Abels, E. G., 245
academic librarians, career transitions, 619–23
academic libraries
  becoming a chief librarian, 578–97
  employment process, 635–36
  funds spent by, 265–66
  job rotation in, 673–80
  public libraries *vs.*, 631, 632, 638
Academic Pioneer, 61
Academy of Certified Archivists, 619
accredited library programs, 623
accuracy, of reference query responses, 188
acquisitions theory, 353–54, 360–61
active learning
  in distance education, 11–12
  in problem-based learning, 48
  in Web-based instruction, 37
Adamic, L. A., 385
adjustment stage, Transition Cycle Model, 590–94
"advance organizer," 99
aging of information, 554, 555–56, 561
  recent/relevant, 555–56, 561
aging of librarians, 596, 722
  career evaluation and, 575–76
Aguillo, I. F., 376, 383
Alabama Virtual Library, 264
Albert, R., 385
ALISE Statistical Report, 256
aliteracy, reference services and, 178
Almind, T. C., 375
AltaVista, 375, 377, 378, 379, 383, 384
  Surprise link, 376
Amazon.com, working conditions, 228–29
American Association of Medical Colleges, 48
American Libraries, analysis of position advertisements in, 717, 719–22
American Library Association (ALA), 48, 73–74, 276, 292, 607, 610, 628, 702
analogy, information literacy technology and, 83, 84
Anglo-American cataloguing rules, 334, 335, 340
Anshen, R. N., 527
anticipatory socialization, 583–84, 585
antithesis, 320
applied mathematics, 394
archivists
  career transition options, 624
  credentials of, 618–19
  librarian career transitions, 617–19
Ardito, S., 274
Aristophanes, 174
artificial intelligence, 398
Ask Jeeves, 271
assessment. *See also* evaluation; research performance assessment; skills assessment
  California State University library instruction program, 32
  chief librarian's "report card," 594–95, 597–600
  of Fullerton First Year Program (FFY), 35
  in online courses, 156–57
  of reference services, 177

assignments
authentic, in online courses, 151–52
collaborative, 259
distance education, 15–18, 259
library instruction program, 36–37
Association for International Practical Training, 607
Association of American Publishers, 277
Association of College & Research Libraries (ACRL), 74
Association of Research Libraries (ARL), 718
Assouline, B., 379
asynchronous communication, in online courses, 152–53
atmosphere models, 92–94, 95–96
Ausabel, D. P., 99
authentic assignments, 151–52
authorities (Web pages), 383–84
authority, of reference query responses, 189
authority control research, 338
author productivity, 339, 461–62, 467–72, 487
authorship patterns, 461–73
automated call distribution (ACD), 223
Autonomous Citation Indexing (ACI), 378
average impact factor, 431, 434
